1. CALL TO ORDER: Committee Chair Don Huff called the meeting to order at 5:35 p.m.
2. ATTENDANCE: Don Huff (Hawaii Kai Neighborhood Board No. 1), Gordon Lum (Oahu Metropolitan Planning Organization [OMPO]), Toru Hamayasu (Department of Transportation Services [DTS]), Pat Lee Honolulu High-Capacity Transit Corridor Project (HHCTCP), Wayne Yoshioka (Parsons Brinckerhoff), David and Amy Monk, Eve G. Anderson (Waimanalo), Sherry Spangler (Kuli'ou'ou-Kalani Iki Neighborhood Board No. 2), Herb Schreiner, and Lester Muraoka (Hawaii Kai Neighborhood Board No. 1).
3. PRESENTATION OF TRANSPORTATION PLANS FOR OAHU AND HAWAII KAI:
 - A. Gordon Lum, Executive Director, Oahu Metropolitan Planning Organization (OMPO), gave an informative presentation on the history and purpose of OMPO and how the organization fits into the planning process with the Federal, State and City & County of Honolulu government agencies. There was a good dialog between Mr. Lum and the audience regarding OMPO's activities and how the organization fits into the scheme of things.
 - B. Pat Lee gave a PowerPoint presentation on the Honolulu High-Capacity Transit Corridor Project (HHCTCP). Many questions were raised by the audience and answered by the group from Parsons Brinckerhoff, the consultants for the HHCTCP.
 - C. Toru Hamayasu, Chief of the Transportation Planning Division, represented the City Department of Transportation Services (DTS). Unfortunately we ran out of time and did not get the opportunity to hear the presentation by Mr. Hamayasu. Both the HHCTCP team and Mr. Hamayasu have consented to meet with us on November 28th at 5:30 p.m. and complete their presentations.
